Subject: Underground Injection Control (UIC) Permit Application
Carbon TerraVault 1, LLC (CTV) 26R Project
Class VI Pre-Construction Permit No. R9UIC-CA6-FY22-1
Technical Review of Application

Dear Mr. Hurst,

The United States Environmental Protection Agency, Region 9 (EPA) is conducting a technical evaluation of the subject permit application. EPA is requesting a Quality Assurance Surveillance Plan (QASP) be submitted for the subject permit. Submittal of the QASP will allow EPA to continue technical review of the Well Construction and Plugging Module and the Proposed Testing and Monitoring Module.

Please submit the QASP by May 27, 2022. If you have any questions about this letter, please contact Elise Nord at (415) 972-3079 or call me at (415) 972-3971.

Sincerely,

DAVID
ALBRIGHT

David Albright
